ABOVE: More than 100 Williamson County students participated in an environmental clean-up project as part of their participation in College Forward, a free after-school college preparatory program. The students cleaned up trash at the Copperfield Nature Trails. The projects honored the Martin Luther King Day of Service. College Forward received a \$1,000 grant from the HandsOn Network to fund the projects.

Initiated by Congress in 1994, King Day of Service builds on that legacy by transforming the federal holiday honoring Dr. King into a national day of community service grounded in his teachings of nonviolence and social justice. The aim is to make the holiday a day ON, where people of all ages and backgrounds come together to improve lives, bridge social barriers, and move our nation closer to the "Beloved Community" that Dr. King envisioned.
